Summary of Change: Revises and adds new clauses to address (1) environmental and sustainability changes consistent with changes in Executive Order 13693; (2) revises and adds new cyber security clauses consistent with changes to AMS policy; (3) clause 3.2.2.5-1 Terms and conditions- Simplified Purchases (Services and Supplies) is revised to remove the incorporated by reference clauses and replace them with the CO selecting the appropriate clauses in the new PRISM contract writing tool; (4) change to small business clauses remove the requirement for business declaration form and use SAM for representations, and (5) add Labor Compliance Advisor provisions and representations.

Reason for Change: The environmental and sustainability and cyber security clause change are made to ensure consistency with AMS policy changes. The purchase order terms and small business clause changes are the result of the change to a new PRISM contract writing tool. The Labor compliance advisor provisions are added to remain consistent with a government wide executive order.
